IMPACT SUMMARY

Happy Danes Auto Repair has always been more than a place to fix cars. It's a small business with a big heart, the kind that shows up for its community without being asked.

In 2025, that heart showed up in a meaningful way. Through PIE's Purpose-Powered Payment Processing, Happy Danes generated **\$2,000 for Ronald McDonald House Oregon**, without spending a dollar more or changing how they do business.

Ronald McDonald House provides a home away from home for families with seriously ill children receiving treatment at nearby hospitals. When families are already carrying the weight of a child's illness, having a safe, warm, and supportive place to stay makes an enormous difference. Happy Danes' donation helps keep that door open for the families who need it most.

It's what happens when a small business decides that every transaction can stand for something more.
